Serial Nos. 1 Cavendish Market

In ~~Part~~ B. for November 1900

SUBJECT.

Sanctions the grant of Rs 10,000 for an experimental farm, to buy lands &c —

Table of Contents.

Grant of Rs 10000 for an Experimental Farm
G.O No 4075. 6 of 19.11.00 to the Agl Colleges &
Sanctions the grant of Rs 10000 for the purchase of the Campbrook
lands, implements and other incidental expenses
Connected with the Opening of an experimental
Farm.

Extract from the 1st Councillor's and
the Secretary's notes:

" Dr Lehmann wants about 50 acres
" of land under the Hebbal Tank.
" Enquire from the Deputy Commissr
" D.O. lly whether land is available
" and what the cost of acquisition
" will be. Deputy Commissioner
" may place himself in Communi-
" cation with the Agricultural Chemist
" in this matter and do the needful
" in the way of collecting all
" the necessary information."

D. O. № 318 DEPUTY COMMISSIONER'S OFFICE,

Bangalore, August 27th 1900.

Sir,

Your D.O. of the 23rd inst. re Hebbal for an Experimental farm.—

I had been to Hebbal this morning with the Agricultural Chemist. He wants about 25 acres of the land at the foot of the Hebbal tank.

Put up regd. answer by return

27/8/00

Mr. Rhenius

Please see Mr. Lawrence

28/8/00

The 1st Cancellation noted on the subject was submitted for Revenue on 24/8/00

28/8/00

Extract from the Secretary's, the Hon'ble 1st Councillor's and the Offg Dewan's notes and orders.

× × × ×

Regarding 50 acres of land wanted by the Agricultural Chemist under the Hebbal Tank.

D.O. dated 25th instant from the Deputy Commissioner, Bangalore District, in reply to Secretary's D.O. of the 23rd instant was submitted to the 1st Councillor on the 28th.

"This is a very important matter. These
"experiments are a very important
"branch of Dr. Lehmann's work.
"The initial expenses will not be
"much and if agricultural
"land is acquired for the purpose
"it may be sold again when not
"wanted. I offered to Dr. Lehmann
"to select some land from out of
"the large block which is available

from the lands acquired for the Malegal
" water project. He assures me that
" every bit of this land he has examined
" and none is suited. He is absolutely of
" opinion that if there is to be a successful
" experiment it must be under the
" Hebbal Tank. Twenty five acres of
" wet and twenty five acres of dry will cost
" about Rs 7,500 and about Rs 2,500 will
" have to be set apart for the necessary
" implements etc: a start may be
" made at an initial cost of Rs ten-
" thousand. I myself think that
" the money is not ill-spent. Conditions
" are entirely different from what
" they were when Mr. Harman was
" employed on this work. With this
" direct example worked by himself Dr.
" Lehmann wishes to induce other landed
" proprietors to co-operate with him in their
" own lands. Actual may be given. Agriculture
" has greatly developed into a science
" and we may have the fullest benefit

" from Dr. Lehmann's present with us.
" The money applied for will not be
" spent away in the sense that the proper
" thereby acquired will yet belong to
" Government. Money will thus be convert
" into another form. I solicit the favour
" Consideration of the Dewan and his
" sanction to start the experimental
" or model farm. Dr. Lehmann is
" very keen about it and I support
" him."

(Sd) P.N.K
7.9.00.

" The matters now referred to me
" re quire Council sanction as the
" cost exceeds that recently sanctioned.
" The Secretariat may prepare a
" proposition statement and submit
" with a brief minute.

Total.	10894	

Note In giving effect to the 1st Councillor's proposals, Sanction has been accorded to an additional cost of Rs. 10,894 or effected 9894. of which Rs. 450 has to be paid from ~~Excesses~~ Savings under other heads in the last years' Budget.

P.T.O.

...diture proposed to be incurred in the Department

Note.	Order.

Vide Govt Pro: No 1812-13
H:169
& 25th Aug: 1900.

The Agricultural Chemist does not say how much should be given for rent. The 1st Councillor proposes that if there is no accommodation in the Public offices, Rs 30/- may be sanctioned from 1st April 1899.

A Sum of Rs. 1000 has already been sanctioned for Agricultural experiments. Whether the 10000 Rs now proposed is in addition to it, is a point to be considered —

One Lascar on Rs 7 has already been sanctioned. The Secretary has ordered that a Lascar may be lent to Dr Lehmann from this office. The 1st Councillor is of opinion that another lascar may also be sanctioned -

Dear Sir,

Kindly let me know for the information of Govt whether any suitable land for an experimental Farm is available near the Lal Bagh at Bangalore

The favor of an early reply is requested.

Yours truly

Draft. 6/10/00

J. Cameron Esq.
Supdt. Govt Gardens

Lal Bagh, 15th Oct. 92 (37)

L. Anantaswami Rao
Esqre.

My dear Sir

Ref. yours of
6th inst. I have
there is a strip of
garden land for
sale adjoining the
west side of the
Lal Bagh. It is

possibly too small
for an E.P.S. farm.
But I shall
make further
enquiries and let
you have details
tomorrow.

Yours sincerely

Cameron

11

Lal Bagh, 11th (56)

L. Anantasami Rao

Esqre

My dear Sir

The strip of garden land I referred to yesterday is nearly five acres in extent, and could be purchased for about 4000 rupees. It is

watered by 4-5
wells, and is
partly stocked
with good fruit
trees. There is
no other suitable
land near the
Gardens. It is
much too small
to be called an

Exper.tl Farm.
The lands
of the old Govt.
Farm are now
utilized as Market-
Gardens and are
mostly in the
hands (possession)
of tiglers and Sirdars
Yours truly
J Cameron

Extract from the Journal of the Council Proceedings.

Dated Bangalore, Saturday, the 10th November 1900.

× × × × ×

II. (1). That a grant of Rs 10,000 be sanctioned, subject to the submission of detailed estimates by the Agricultural Chemist, for the purchase of lands and implements, and other incidental expenses connected with the opening of an experimental Agricultural Farm

Draft in ord: 96

S.C. (1)

Order:— 3 Offs (42)

With a view to de-
-velop the agricultural
resources of the State
by way of introducing
improved methods of
cultivation, the Govt
have had under their
consideration for some
time past the question
of starting an experimental
agricultural farm under
the Superintendence of
the Agricultural Chemist
with the Govt. They are
accordingly pleased to
sanction a grant of Rs. 10,000,
subject to the submission
of detailed estimates by the
Agricultural Chemist, for
the purchase of lands and
implements and other in-
-cidental expenses connected
